PRÉLONGE

PARIS

## LE LUXE À LA FRANÇAISE

Created in 2008, Maison Evelyne Prélonge is the first brand of high quality faux fur “Made in France”.

### QUALITY AS A SIGNATURE

Choosing quality is one of our fundamental values. We take great care in the selection of our faux furs, privileging only the noblest. Designed to last, Maison Evelyne Prélonge collection dresses interiors with incredible softness and vibrant colors.

### A FRENCH KNOW-HOW

Located in the heart of the Vosges, our manufacture sublimates our faux fur. Whether it is for its craftsmanship, its values of tradition and refinement or for its creative spirit, France and its art de vivre are part of our DNA.

### ETHICS, AN EVIDENCE

From the beginning, we have chosen to use faux fur, thus condemning cruelty to animals. We are proud to support PETA, an animal rights organization.

# FAUX-FUR CARE

## WASHING

Dry cleaning with professionals is always the best way to clean our faux-fur. We absolutely do not recommend washing the faux-fur in a washing machine

## STORAGE

We invite you to store your faux fur products in a closet that is not exposed to light.

Keep them away from heat sources, do not iron them or use steam.
