

INTRODUCING

# Organa Comforters and Pillows...

*Downright is proud to introduce our most eagerly anticipated product for 2016. **Organa 650+ white goose down comforters and pillows** combine 100% organic cotton grown from non-genetically engineered seed and without toxic pesticides or synthetic fertilizers – and **Tencel® Lyocell**, a natural and renewable fiber made from wood pulp cellulose. Great for your body, soul, planet earth ... **and made in good 'ol Brooklyn!***
