AVAILABILITY & BACKORDERS

At the time an order is placed, you will receive a sales order with availability and back order dates. For all customers, we require full payment for the order, plus taxes and shipping costs, prior to shipment. It is the customer's responsibility to review the sales order and the information contained in it. If you have any questions about your order, or want to change it, please contact us by phone or e-mail, within 24 hours of receiving the order confirmation. We will be glad to help you with any questions you have!

If we do not receive any notification of changes within this 24-hour period, we will consider the order accepted and proceed with the shipment. If the order is to be cancelled, we must receive written notification. In-stock goods will ship in five to ten business days of payment receipt. Should back order

dates change, we will do our best to notify you. Otherwise, when backordered items become available, we will ship without notice.

MINIMUM ORDER

Retail Locations: We have a \$1,000 opening order minimum for retail locations (stores/showrooms). Any order under the minimum will be accepted at Wholesale pricing. After your opening order has been placed, you are considered a Current Account and there is no minimum for subsequent orders. However, orders under \$150 are subject to a \$10 surcharge. Current Accounts must order at least \$2,000 per calendar year to maintain their status.

Designers: There is no minimum order for designers. All orders under \$500 will be subject to a shipping surcharge in addition to normal freight charges.

SHIPPING INFORMATION

For continental U.S. deliveries, we typically use FedEx; however, depending upon the size and composition of your order, we may use an LTL provider. Shipping rates are 8% for Zone 1, 12% for Zone 2, 14% for Zone 3, and 15% for Zone 4 (see map below).

Shipping rates are subject to change during the year and will be confirmed when your order is placed. Your order may be delivered in several shipments; this will not affect your shipping costs.

Shipping rates are subject to change during the year and will be confirmed when your order is placed. Your order may be delivered in several shipments; this will not affect your shipping costs. Shipping costs for other areas (Alaska, Hawaii, International) will be quoted based upon your order. We can ship to residential addresses, however surcharges will apply.

EXPEDITED DELIVERY

Orders that require shipment within three business days of order receipt will incur an expedited processing fee, in addition to applicable freight charges. Please contact us for an expedited delivery quote. We will make every effort to meet your requested date, but it is not guaranteed.

DROP SHIP/RESIDENTIAL DELIVERY

Our standard shipping rates are business-to-business (warehouse or commercial receiver included). We can drop ship or deliver to a residence for an additional charge, which will be added to the applicable freight charges for your "ship to" address. Any accessorials charges related to delivery from the freight carrier are the responsibility of the customer and will be billed and collected by Pigeon & Poodle. These include lift gate fees, change of address fees, residential fees, redelivery fees and fees associated with the refusal of a shipment.

To qualify for a tax exempt sale shipping to CA, NY, TX, NC and GA, we must receive a copy of a valid resale certificate officially recognized by that state. Without that, we are required to collect sales tax for orders shipping to those states.

RETURNS

All returns must be authorized by Pigeon & Poodle Customer Service with a Return Authorization Number. Unauthorized returns will not be accepted, and are not the responsibility of Pigeon & Poodle. All returns will be subject to a 25% restocking fee, plus the charge for freight both ways. It is the customer's responsibility to pack items appropriately for return. Customers will not be given credit for authorized returns that arrive with damage due to poor packaging.

If the return is a shipping error on our part, or the result of a manufacturing defect, we will replace the item at no additional cost to you.

DAMAGES

Your products leave our facility with no damage and with the packaging in good condition. Upon receipt of your order, please open all shipments immediately for inspection and note any damage, shortages or overages on delivery receipt. You will be required to sign for the shipment at the time of delivery. Your signature confirms your product arrived in good condition. If you are not the person that will be receiving the shipment, it is your responsibility to give instructions to the person in charge of receiving the order to comply with our requirements (warehouse, commercial receiver, client, etc.)

Do not refuse shipment even if damage is suspected, and note it on the delivery receipt. Please take photographs, save all packaging, and report any damage within 5 business days of receipt. Any damage not noted on the delivery receipt or failure to comply with our conditions may cause additional charges for returns or replacements. If concealed damage is discovered, Pigeon & Poodle must be notified within 5 days of receipt, so that we may file a claim with our freight carrier. We will deny any claim if not notified within 5 days of receipt of merchandise. For our complete terms and conditions, visit pigeonandpoodle.com

CANCELLATIONS

Cancelled orders that have already been packed are subject to a 25% restocking fee.

SOAP PUMP UPGRADE OPTIONS

Every Pigeon & Poodle soap pump comes with a standard pump head. For an additional cost, you can order a pump head in an alternate finish to meet your needs. Choose from Chrome, Brushed Aluminum, Bronze, Polished Gold, Brushed Gold, or Copper.
