Cutting down existing product

- Pillows/shams
 - For knife-edge pillows/shams, add \$30 to the cost of the pillows/sham for a cut down in 1 direction, and \$40 for a cut down in 2 directions.
 - For banded pillows/shams, add \$45 to the cost of the pillows/sham for a cut down in 1 direction, and \$65 for a cut down in 2 directions
- Coverlets & duvets
 - If the coverlet has joining seams:
 - § Add \$150 to the cost of the coverlet/duvet.
 - If the coverlet does not have joining seams
 - § Add \$100 to the cost of the coverlet/duvet.
 - For two fitted corners on coverlets, add \$140 to the cost of the coverlet.

Custom Pillows & Shams – zip closure, no flange. Check if cutting down existing product will be possible using calculation above. Please make sure to include flange when calculating if the pillow is under or over 24" in width.

- Self-reverse:
 - For pillows 24" or under in width, take the cost of 1 yard of fabric and add \$50.
 - For pillows over 24" in width, take the cost of 2 yards of fabric and add \$50.
- Combining two fabrics:
 - For pillows 24" or under in width, take the cost of 1 yard of face fabric, 1 yard reverse fabric, and add \$50.
 - § If you order these in units of 2, do not add additional fabric, just add additional \$50 per pillow. Pillows under 24" in width have minimal waste.
 - For pillows over 24" in width, take the cost of 1 yard of face fabric, 1 yard of reverse fabric, and add \$70.
